

January 2024

Information for customers according to Article 3(1) of the POP Regulation.

At the European level, the Regulation (EU) 2019/1021 of the European Parliament and of the Council of June 20, 2019 on persistent organic pollutants (POP Regulation) has issued detailed requirements regarding the production, placing on the market, use and release of persistent organic pollutants.

Elzacher Feinmechanik GmbH hereby declares that we are aware of the requirements / specifications of Regulation (EU) 2019/1021 of the European Parliament and Council on Persistent Organic Pollutants.

None of the articles delivered to our customers contain the substances mentioned according to the regulation.

Elzacher Feinmechanik GmbH manufactures exclusively according to customer drawings, the materials and surface treatments specified thereon are used or applied. The use and further processing of the products manufactured by us is the responsibility of our customers.

Elzacher Feinmechanik GmbH always checks their products for conformity. Our customers will be informed immediately if one or more pollutants prohibited by regulation are present in our products.

Elzacher Feinmechanik GmbH
