Information for customers according to Directive 2011/65/EU and 2015/863/EU

The RoHS Directive 2011/65/EU and the amendment 2015/863/EU in Annex II set requirements for the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Elzacher Feinmechanik GmbH hereby declares that we are aware of the requirements / restrictions of the above mentioned European Council Directives on the restriction of the use of certain hazardous substances in electrical and electronic equipment a.k.a. RoHS 2, respectively RoHS 3.

All articles we deliver to our customers are in full compliance with the above mentioned directives.

Elzacher Feinmechanik GmbH manufactures exclusively according to customer drawings, and the materials specified thereon are used. The use and further processing of the products manufactured by us is the responsibility of our customers.

Elzacher Feinmechanik GmbH always checks their products for conformity. Our customers will be informed immediately if one or more substances regulated by the directive exceed the limit value

Elzacher Feinmechanik GmbH
